“Brookes United Kingdom promotes the safeguarding and welfare of children in its care; all policies support the “Safeguarding Policy”.

Introduction

Brookes UK is dedicated to providing the best possible education and support for all its pupils. This means having a clear, fair, and efficient procedure for dealing with any complaints to or against the School, so any issues that arise can be dealt with as swiftly and effectively as possible.

All School staff will be made aware of this complaints procedure and will be expected to review this policy regularly to ensure they are familiar with the process.

The purpose of this policy is to explain the steps individuals need to take if they wish to raise any issues that are causing concern.

Definition

A complaint is defined as “dissatisfaction about any aspect of the School’s work.” Concerns and complaints may be communicated in writing, by telephone or in person and can be about any aspect of the School’s work. They may be expressed by parents, guardians, neighbours or anyone with an interest in the working of the School.

The majority of concerns/complaints can be dealt with on an informal basis, where the School will ensure that the complaint will be treated in confidence, evaluated, investigated and hopefully resolved. Where this is not possible, the complaint should be addressed through the formal Stage 2 procedure outlined in this policy.

This policy does not apply to complaints about:

- Student admissions
- Student exclusions

There is a separate complaints and appeals procedure for Admissions and Exclusions (included in Behaviour Policy) which is outlined in their respective policies, available from the School.

Boarding complaints will be marked as such in the complaints records.

Written complaints relating to the fulfilment of the EYFS requirements will be investigated and the complainants will be notified within 28 days of having received the complaint.

If there is an allegation or concern about physical or sexual misconduct towards a child, or there is a belief that a child may be at risk of serious harm, the School may immediately refer the case to Child Protection and Welfare Services. If it is decided that there is cause for an official investigation, the decisions by these authorities will supersede those made by the School and outlined in this policy.

For more information on our School’s provision for protecting our pupils, read our [Child Protection and Safeguarding Policy](#).

Stage 1 – Informal Resolution When an Issue/Concern First Arises

If you have a concern that you would like to take up with the School you should initially inform a member of staff either in person, over the telephone, or in writing. You will then be invited to an informal meeting with the member of staff most appropriate for dealing with your concern.

We encourage parents to approach staff with any concerns they may have, and aim to resolve all issues with open dialogue and mutual understanding.

Where possible, please provide a written explanation of your concerns and what action you feel would help to resolve the problem. If you should have to take your complaint further, this will help any review panel to see what the initial problem was.

If your complaint is about a member of staff, you should first raise this with the Principal either in person or in writing, and a meeting can be arranged with the Principal to discuss the issue at hand.

If your complaint is about the Principal, you should raise your concern in writing with the UK School Proprietor. Contact details can be found at the end of this policy.

Please note that if you send your complaint directly to the UK School Proprietor, they may refer the complaint to an appropriate member of staff for investigation if it does not warrant the UK School Proprietor's involvement at that point.

Initial Informal Meeting

Once a concern has been raised you will be invited to attend an informal meeting with a member of staff or the Principal to discuss your concerns.

You are welcome to bring a friend, partner, or, in the case of a student who has raised a concern, a parent, to this meeting.

All staff have a responsibility to ensure that they understand any future points of action that have been agreed upon in this meeting and should make a record of what has been discussed, as well as any outcomes and a plan of action, if one has been agreed.

All staff will do their best to ensure that your concerns are dealt with appropriately and efficiently but if you cannot come to an agreement, or are dissatisfied with the outcome of your meeting, you can make a formal complaint in writing to the Principal.

Response times – Stage 1

You should expect to receive a response to your complaint within 15 school working days following receipt of your complaint. If, due to the complex nature of the complaint a longer investigation time is needed, the School will contact you to agree on a response time.

Stage 2 – Formal Complaint to ‘The Principal/UK School Proprietor’

If you do not feel that your concern has been dealt with as you would like at Stage 1 of the procedure, or if you feel that the issue is serious enough that it warrants it, you can make a formal complaint in writing to the Principal, or if your complaint is about the Principal, to the UK School School Proprietor.

The Principal or UK School Proprietor:

- Should acknowledge your complaint in writing within 7 school working day
- s.May call you in for a meeting to discuss the issue, outcomes, possible solutions, or to explain what has or will happen as a result of your complaint.
- Will keep a record of all interactions with you and other staff, meetings and decisions made in reference to your complaint.

If the complaint is against a member of staff, the Principal will talk to that employee. If it is an allegation of abuse, a formal investigation may be instigated by the School or external child welfare authorities to whom the School reports.

Response times – Stage 2

You should receive a written acknowledgement within 7 school working days following receipt of your complaint, and receive a full written response within 15 school working days. If this is not possible, you should receive a letter explaining the reason for the delay and a revised target date.

Brookes UK will review and evaluate all complaints no matter how far they are taken or what the outcome is to ensure that similar problems are avoided in the future or to see if they could have been managed any more effectively.

Stage 3 – Appeals Panel

If you would like to launch an appeal following the outcome of a formal complaint, this will be taken to the Appeals Panel.

The Appeals Panel

The appeals panel will be made up of members of the Governing Body, and will include at least one independent person who is not involved in the management and running of the School. No member of the Governing Body can sit on the Appeals Panel if they have had any former knowledge or involvement in the case that is being dealt with at that time, or if they are employed by the School.

You will be entitled to attend the Panel Hearing and be accompanied if you wish. The panel will give careful consideration to how the plaintiff can be made to feel most comfortable presenting to the panel, especially in the case of a young child having to present or explain information.

Conduct during an Appeals Panel Hearing

Please note this is a non-adversarial process and is purely there to ascertain the facts. All persons attending the Hearing will be expected to treat each other with dignity and respect. Abusive behaviour will not be tolerated, and may jeopardise the Hearing. Any person behaving in an abusive way will be asked to leave. When the facts have been established, the Panel will make a binding judgement.

Appeals Procedure

The procedure for an appeal is as follows:

- The Panel will be provided with a copy of all correspondence relating to the complaint
- A date will be set for the hearing providing a minimum of 5 working days' notice
- The Panel will interview the complainant:
 - The chair will introduce the panel members and outline the process
 - The complainant will explain the complaint
 - The panel will question the complainant
 - The complainant will sum up their complaint
- The Panel will interview the Principal/UK School Proprietor:
 - The Principal/UK School Proprietor will explain the School's actions
 - The panel will question the Principal/UK School Proprietor
 - The Principal/UK School Proprietor will sum up the School's actions
- The Panel will interview other staff as appropriate
- The clerk will stay with the panel to clarify

The Appeals Panel Will:

- Dismiss all or part of the complaint
- Uphold all or part of the complaint
- Decide on the appropriate action to be taken to resolve the complaint
- Evaluate all the evidence available and recommend changes to the School's systems or procedures as a preventative step against similar problems arising in the future
- Provide a written response to the complaint within 15 school working days and where relevant the person complained about

- Make available such complaints and outcomes to any formal ISI Inspection
- Maintain confidential records to be retained in the School except where the Secretary of State or a body conducting an inspection under section 108-109 of the 2008 Act requires access to them.
- Records will be made available on site for the Principal and the Proprietor.
- Records will note at which stage of the process the complaint is resolved, what action has been taken and whether or not the complaint was upheld.

Brookes UK will review and evaluate all complaints no matter how far they are taken or what the outcome is to ensure that similar problems are avoided in the future or to see if they could have been managed any more effectively.

The panel's decision is final.

Stage 3 - Response times and Complaints about the Governing Body to the Secretary of State.

The Appeals Panel Hearing will be set up within 15 working days following the receipt of the request for an appeal. The Appeals Panel will give a minimum of 5 working days' notice of the Hearing date.

The Appeals Panel will issue a full written response within 14 school working days of the Appeals Panel Hearing date.

The Secretary of State will consider complaints about Schools in 3 areas:

- Where there is undue delay or the School did not comply with its own Complaints Procedure when considering a complaint.
- Where the School is in breach of its Funding Agreement with the Secretary of State.
- Where a School has failed to comply with any other legal obligation.

The easiest way to raise your complaints is via the [Contact the Department for Education](#) page available on the Department for Education Website.

Alternatively, you could submit your complaint in writing. You should set out fully the concerns and reasons why the complaint is being submitted, enclosing all previous correspondence relevant to the complaint.
