Introduction

At Brookes UK we are determined to create a positive and inclusive learning environment where everyone is given the opportunity to fulfil their potential. We aim to challenge and support all of our pupils, helping them strive to become lifelong learners and preparing them for life in an international community.

We believe that in relation to behaviour the school will therefore:

- Set high expectations for behaviour.
- Provide positive role models. Staff should treat one another and students with the same level of courtesy, patience and respect that they expect from students.
- Promote good behaviour and attitudes by providing positive support, encouragement, praise and appropriate rewards.
- Promote respect for others and the environment.
- Promote self-discipline and self-respect.
- Promote equality of opportunity, the welfare of students and good relations across the whole school community.
- Value students as individuals and take account of the needs of all.

Aims

- To help ensure that all members of the School community feel safe in an environment free from disruption, discrimination, abuse and harassment.
- To facilitate outstanding teaching and learning.
- To create a culture of outstanding behaviour and establish the highest standards.
- To cultivate a climate of acceptance, resilience, confidence and making positive choices, where mutual respect pervades the life of the School.
- To ensure equality of opportunity and the fulfilment of individual potential.
- To help learners take control of their own behaviour and be responsible for the consequences of it.
- To adopt a consistent approach to managing behaviour.
- To promote the importance of positive relationships, early intervention, the use of restorative practices and the recognition of positive behaviour.
- To ensure that students know where to access support in relation to pastoral issues and the nature of support available (including specialist support).

A Positive Approach

- We believe that a positive approach to behaviour and discipline encourages attention to focus on agreed aims and expectations and their attainment.
- The school's expectations are communicated with students in positive terms.
- Good and appropriate behaviour is recognised consistently, rewarded and thus reinforced through an age-appropriate reward scheme.

Roles and Responsibilities

Students are expected to:

1. be respectful, safe and prepared;
2. model excellent behaviour for others, both on-site and off-site (this expectation increases as students progress in their School careers);
3. take responsibility for their own behaviour and the decisions they make;
4. follow reasonable staff instructions and accept interventions and consequences in an appropriate way;
5. cooperate with any arrangements in place to support their behaviour;
6. wear the School uniform and follow the dress code correctly at all times;
7. arrive at lessons prepared and punctually;
8. adhere to the Behaviour Policy.

Parents/carers are expected to:

1. encourage their children to behave appropriately and respectfully;
2. support the School's authority to discipline students and work with the School to support their child's positive behaviour;
3. help ensure that their children follow instructions by staff and adhere to the Behaviour Policy;
4. send their child to School each day punctually and suitably prepared to learn;
5. inform the School of any changes in circumstances that may affect their child's behaviour or wellbeing;
6. attend meetings with staff, if required, to discuss their child's behaviour.

Staff are expected to:

1. implement the Behaviour Policy consistently;
2. model positive behaviour, including personal presentation;
3. encourage students to make correct choices, give opportunities to correct poor choices and expect students to accept the consequences of their behaviour;
4. provide a personalised approach to the specific behavioural needs of particular students;
5. record behaviour incidents.

Senior Leaders will support staff in implementing the Behaviour Policy.

The Principal is responsible for:

1. reviewing and approving the Behaviour Policy;
2. ensuring that the School environment encourages positive behaviour and that staff manage and modify poor behaviour effectively;
3. monitoring how staff implement the Behaviour Policy to ensure rewards and sanctions are applied with a high degree of consistency.

SEND Pupils

Specific attention is required regarding the behaviour of pupils who are identified as SEND. Appropriate arrangements may be needed to support these pupils. All staff need to be aware of specific issues so that they can make reasonable adjustments. A care plan may be provided by the SENDCo.

Promoting Positive Behaviour

All staff are responsible for setting the tone and context for positive behaviour at School.

Staff will follow the below principles:

1. Be mutually supportive.
2. Maintain clear and consistent expectations.
3. Create a stimulating environment for all.
4. Retain ownership where possible.
5. Model positive and respectful behaviour.
6. Practise self-reflection.
7. Reinforce the expectation for students to be respectful, safe and prepared.
8. Cultivate positive relationships with students by, amongst other things;
 - Recognising and reinforcing positive behaviours and giving attention to best conduct.
 - Acting in a calm and consistent manner.
 - Developing clear routines and greeting students at the start of lessons.
 - Communicating expectations in advance of activities.
 - Ensuring there is certainty to any consequence.
 - Engaging students in reflective dialogue and reconciliation when appropriate.
 - Challenging students who are not meeting expectations around the School site and following the principle of cue, caution, consequence.

Senior Leaders will:

1. be a visible presence encouraging appropriate conduct and positive behaviours.
2. ensure staff are empowered to manage student behaviour by providing advice and support. Intervene where necessary to achieve this;
3. meet with students who are persistently behaving inappropriately (alongside the relevant member of staff) to try and improve/resolve the situation;
4. regularly celebrate staff and students whose efforts go above and beyond expectations. Encourage the recognition of positive student behaviours;
5. use behaviour data to target and assess interventions;
6. continue to implement interventions if student behaviour is not improving.

Rewards Systems We Use

Cherry Trees Early Years

- Acknowledge positive interactions and right choices through happy gestures and visual praise.
- Pupils who demonstrate good behaviour are given the opportunity for additional responsibilities, for example collecting snacks from the kitchen, feeding class pets etc.
- Star of the week

Lower School (KS1 &2) Reward Systems

- Every child belongs to a 'House'. The houses are Hawk, Falcon and Eagle. House Points are awarded by all staff for good attitudes, citizenship, work and effort. House points are collected and the House with the highest number of points awarded is celebrated in assembly. This creates an atmosphere of collective positivity. Each Lower School class has a jar with a collection of marbles. The marbles are used to provide an instant reward for the class. Once full, a special reward is given to the whole class.

- House points awarded are shared with parents through ISAMs
- Traffic Light reward system is in place where children start each day on green and through good behaviour, work and kindness work up to gold, conversely can drop to orange or red through inappropriate behaviour (Appendix 2b). Children's learning needs will always be taken into consideration.
- A Star of the Week certificate is awarded to pupils in Key Stages 1 and 2 who have demonstrated outstanding approaches to both learning and behaviour. They have weekly focused values which are linked to the star of the week.
- Academic achievement award celebrations
 - Pupils are rewarded through positive comments made in homework diaries and annotated onto pieces of work (see Marking and Feedback Policy).
 - Pupils who demonstrate a good attitude to work and or relationships are given the opportunity for additional responsibilities; for example by being elected as School Council representatives, House or Sports Captains.
 - Students who have shown outstanding learning behaviours throughout the year can be recognised in the annual Prize Giving presentations.

Senior School (KS3 and KS4) Reward Systems

- Every child belongs to a 'House'. The houses are Hawk, Falcon and Eagle. House Points can be awarded by all staff for good attitudes, citizenship, work and effort. House points are collected and the house with the highest number of points awarded is celebrated in assembly. This creates an atmosphere of collective positivity.
- House points awarded are shared with parents through ISAMs
- Students who have shown outstanding learning behaviours each half term are recognised with academic achievement awards throughout the year and in the annual Prize Giving presentations.
- There are a variety of reward systems used in the boarding house (See Brookes UK Boarding Handbook).
- Pupils who demonstrate a good attitude to work and or relationships are given the opportunity to take on additional responsibilities such as being elected as School Council representatives, House or Sports Captains.
- Form tutors reward their form group for good collective behaviour and effort by organising treats and trips.

Sanctions and Procedures

It is important that failure to meet the agreed aims and expectations is dealt with consistently on the principles that:

- Sanctions focus on the misdeed.
- Sanctions follow misbehaviour in a timely manner.
- The severity of the sanction should match the misdeed and these levels are outlined below.
- It is important to remember there are always two sides to a story. Staff must listen to both sides and always question why is it happening and what can we do to help?

There are agreed procedures that are adopted in a scale of sanctions that can be applied

- All teachers and support staff are expected to manage the behaviour of the pupils that they teach and/or encounter within the school and they should employ appropriate sanctions to discourage inappropriate or disruptive behaviour.
- Staff will typically manage minor disruptive/poor behaviour by Cue, Caution, Consequence:
 - Cue: Remind the student of expectations, referring back to respectful, safe, prepared. Remind them that they are responsible for their own behaviour. Attempt to re-engage where possible.
 - Caution: Caution the student and share the consequences of them continuing to behave in that way. Emphasise that they have an opportunity to take responsibility and improve the situation. Allow take-up time where possible.
 - Consequence: issue a consequence if the student chooses not to take the opportunity to improve their behaviour and be 'respectful, safe and prepared'.

Cherry Trees Early Years

- 'Redirecting' of pupils who are finding it difficult to choose an appropriate activity.
- Use of a bell to restore peace and quiet within the environment.
- 'Glueing,' quietly ask a child to join in an activity with another child and practitioner, followed by another activity with a practitioner, giving the child time to re-centre and calm themselves in order to work effectively in the classroom independently.
- Quiet discussion/explanation of problems/issues.
- Peace table-children discuss their disagreements.
- Role play scenarios to demonstrate to children more appropriate ways to deal with situations.
- Plan lessons/story-telling in response to children's emotional/social problems, highlighting the most appropriate way to behave.
- Sharing of books about emotions to promote discussions.
- Empower pupils by offering them the opportunity to make the right choice.
- For children likely to cause harm to others through their actions, cuddle restraint and removal from the situation, providing a quiet space to calm down. Discuss the problem and give the child the choice to rejoin the rest of class when they feel ready to behave appropriately.

Sanctions are used to help pupils make appropriate choices about their behaviour. Where children choose to break agreed behaviour rules they have the right to expect fair sanctions, applied consistently and taking into account any special circumstances or special needs.

Junior School (KS1&2)

The school's agreed Junior School Behaviour Steps are applied consistently and all children start each day on Green. Where children display behaviour that goes against our core values, they will receive the following 'Behaviour Steps':

- Pupils will receive a clear verbal warning
- If a second warning is given then the pupil's name is moved to 'Yellow' on the behaviour chart located in each classroom (Appendix 2).
- If behaviour persists then the pupil's name is moved to 'Red' and 'Lost Time' (Blocks of 5 mins) is enforced.
 - 'Lost Time' can be earned back/reduced if the pupil demonstrates appropriate restorative behaviour.
- 'Lost Time' can not exceed 15 mins per day.
 - 5 minutes 'Lost Time' can only happen at the first break.
 - 'Lost Time' longer than 5 minutes will happen during the child's lunch break.
- If a pupil is on 'Red' and continues to disrupt, then this is treated as a serious incident and the pupil should be sent to the Headmaster or SLT or a member of staff will collect the pupil.
 - If a pupil is removed from a lesson, they will receive an immediate 15 mins 'Lost Time' with the Headmaster and parents will be notified.
- Recurrent 'Red' incidents will be recorded so as to monitor frequency of occurrence.
 - Should persistent 'Red' incidents occur, parents will be invited in to discuss positive interventions.
- At the end of the week, Behaviour Registers are checked and a notification is sent to the child's parents to inform them that their child has 'lost' xx mins that week.
 - Children who have 'lost' time are, under adult supervision, asked to refrain from joining their peers for the duration of their 'lost' time at break time.

Senior School (KS3&4)

In the Senior School staff and students following a simple system of '**Warn - Move - Remove**'

All classroom management strategies and behaviour steps will follow the Senior School Behaviour Steps (Appendix 5)

- Students will receive a '**Warning**' as a first step – Verbal warning given for not meeting expectations
 - SEND (ILPS/EHCP) students use their personal strategies at this point – take a break, longer cool down time, as agreed with SENDCo/LSA.
- If a second warning is given then the student will be asked to '**Move**' seats/location
 - 2nd warning received, move seats = Behaviour point given.
- If behaviour continues to not meet expectations the student(s) are '**Removed**' from Lesson.
 - Staff will use their discretion and professionalism when issuing this final sanction and where necessary time-outs will be the preferred method of sanction above removal.
 - If a student can be returned to class after a time out, that is the preferred option.
 - After such incidents, pupils may be given the opportunity, at the teacher's discretion, to reflect upon their behaviour and discuss with the teacher .
- All incidents of this behaviour will be logged on iSAMs, parents are notified through this system.
- No Public Displays of Affection (PDA).

- Public displays of affection include physical contact such as intimate touching, cuddling, kissing, and other similar actions on school premises or school-sponsored activities between two students, most likely in a relationship.

Special Circumstances

**If students' behaviour is unsafe and or dangerous, the above steps do not need to be followed and removal from the lesson can be immediately issued.*

- If a student is removed from class, immediate lunchtime sanction is issued for that day, or the following day if the student is removed from an afternoon lesson.
- Lunchtime sanctions will run daily by different members of staff on a rota basis.
- If the student displays negative or continued disruptive behaviour during the sanction, this will result in a further Senior Leadership sanction.
- If 3 or more behaviour points are issued in a week, lunchtime sanction is given.

Students that display persistent unacceptable behaviour, will be placed on a series of monitoring reports.

- 2 choices of report - behaviour or positive, which depend on specific required focus.
 - Initially report will be monitored by form tutor
 - If no improvement, then monitored by SLT member
 - Meeting with parents and a 6-week progress plan agreed with targets, review meeting after 3 weeks. Monitored by SLT.

Professional Judgement

All factors surrounding an incident or student needs (including SEND) should be taken into account. A reasonable adjustment should always be made including class teacher behaviour management of particular students. Please refer to the SEND register as well as following any specific student safety plan.

It is so important to ensure all students have the opportunity to be successful in lessons.

Behaviour Monitoring - Timeline

- STEP 1

1. Lunchtime Sanction = When a student receives 3 Behaviour points in a single week.
2. Lunchtime Sanction = When the same student receives a further 3 Behaviour points in consecutive week

- STEP 2

3. Student Report (2 Weeks) = When the same student(s) behaviour is consistently not meeting expectations
 - a. If behaviour **IS** meeting expectations the Form Tutor will continue to monitor the student.
 - b. If behaviour is **NOT** meeting expectations, the report is monitored by the Senior Pastoral Lead.

- STEP 3

4. School and Parent Support Framework (SPSF) = When the same student(s) behaviour is still consistently not meeting expectations.

6 week programme

1. Initial meeting with parents, students and school to arrange SMART targets.
2. Review meeting after 3 weeks
3. End of programme meeting at 6 weeks.

Whole School

Recurrent Incidents

- Incidents of unacceptable behaviour logged on iSAMs will be monitored by the form tutor.
- The subject teacher should liaise with the form teacher (or member of SLT if the same person) to decide upon the next steps. Possible next steps might include:
 - Monitoring a pupil's behaviour for a limited time by using a report card.
 - A lunchtime sanction.
- Parents/guardians should be informed by the form tutor.
- If a class teacher is concerned about a pupil who has specific needs it may be appropriate to discuss concerns with the SENDCo.
- If poor behaviour continues then further interventions will be considered. Possible next steps might include:
 - Monitoring a pupil's behaviour for a limited time by using a target report card.
 - Staff working with the pupil to provide strategies to enable them to modify their behaviour.

Serious

Serious incidents include:

- Severe verbal abuse of another pupil, adult or teacher, particularly where there is repeated use of offensive language
- Persistent non-compliance with the reasonable demands made by the teacher, boarding staff, bus driver, instructor, etc.
- Physical violence or threatening behaviour towards another pupil, adult or teacher;
- Theft, misappropriation of belongings from another pupil, teacher, or from school property;
- Intentional damage to school property
- Harassment and/or abuse based on, but not limited to, nationality, race, religion, disability, gender and/or sexual identity/orientation;
- Sexual misconduct and harassment, indecency, accessing obscene and pornographic websites on computers, or sexting;
- Possession of drugs, alcohol or offensive material for personal use;
- Possession of drugs, alcohol or offensive material with the intention of supplying to others;
- Being under the influence of drugs or alcohol;
- Possession or use of weapons.

The most serious incidents of misbehaviour or persistent disruptive behaviour should be reported to the Principal and logged on iSAMs.

If any behaviour is deemed to be totally unacceptable then staff must ensure that the pupil(s) refrain immediately and are isolated from other pupils, they must then be removed from the situation immediately and placed in the care of the Principal.

Sanctions for serious incidents could include internal isolation for the part or the whole of the school day, a behaviour contract, a Fixed Term Exclusion (FTE) for 1 or 2 days or Permanent Exclusion (PE)

SAFE RESTRAINT: In dealing with physical or 'out of control' behaviour, a trained member of staff may only use a degree of force if it is necessary to restrain a student who, in the opinion of that member of staff, is in danger of injuring them self or others or damaging property. Please see the Use of Reasonable force Policy for further information. Boarding staff all receive training on safe restraint.

In the event that Safe Restraint is not suitable or the member of staff is not comfortable, the following is a suitable plan of action;

1. DO NOT provoke or antagonise the student, try to keep them calm and safe.
2. Calmly ask the remaining students to leave the class.
3. Where possible send the remaining students to a safe location with any learning support staff (playground - weather permitting).
4. Send a responsible student to the school reception for immediate support.

SEARCH: Where there is a suspicion of theft, misappropriation, the presence of drugs, alcohol, offensive material or weapons, sexually explicit images or material, the school reserves the right to search a pupil's possessions. This will take place in a sensitive and controlled manner and may involve communication with parents or guardians.

Parents will always be informed. Sanctions may include lost time, removal from specific lessons/activities/trips/privileges/boarding, internal suspension, fixed-term exclusion and permanent exclusion.

Mobile Phones and Devices (incl smartwatches)

- Devices are not permitted in school.
- Students are informed to not bring any electrical device to school (Mobile Phones, Tablets, Laptops, Smart watches)
- In certain circumstances, some students may require the use of a phone to contact parents/guardians regarding pick up.
- If a student is seen with their device, or their device is heard, here at Brookes we will adopt the 'See It, Hear It, Lose It' policy.
- If the device is seen or heard the students' device(s) will be confiscated and handed to the main reception for collection after school.
- Repeat offenders
 - 1st & 2nd time - Device handed to main reception and collected after school - event logged on iSAMS
 - 3rd Time - Device handed to main reception and parents contact to come and collect the device
 - Further offences - sanctions awarded in line with behaviour policy..
- In the event that a device is removed from a Boarding student, the device is handed to the House Parent

Staff members may instruct a student to remove outer clothing, including hats, scarves, boots and coats. A student's possessions will only be searched in the presence of the student and another member of staff, unless there is a risk that serious harm will be caused to any person(s) if the search is not done immediately, and it is not practicable to summon another member of staff.

A staff member carrying out a search can confiscate anything upon which they have reasonable grounds to suspect is a prohibited item.

The school is not liable for any damage to, or loss of, any confiscated item.

In the interest of health and hygiene, the school requests that people refrain from smoking outside the school gates - this includes the school car park area.

The school has a zero-tolerance policy on illegal drugs and legal highs (new psychoactive substances).

Following the identification and confiscation of a controlled substance, the staff member will seal the sample in a plastic bag and include details of the date and time of the confiscation and any witness/witnesses present.

The staff member will store the sample in a secure location.

The incident will be reported to the police immediately. The police will then collect the item and deal with it in line with their agreed protocols.

The school will not hesitate to name the student from whom the drugs were taken to the police, and a full incident report will be completed.

Any further measures will be undertaken in line with the school's Child Protection and Safeguarding Policy.

Where controlled substances are found on school trips away from the school premises, the parents of the student, as well as the local police, will be notified.

Sexual harassment

The school prohibits all forms of sexual discrimination including sexual harassment, gender-based bullying and sexual violence.

Consequences for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents.

The school will address the effects of harassment and will provide counselling services for victims, or academic support services if the harassment has affected performance.
