

THE GRYPHON

Jan 2025 : Issue 13

Dear Parents and Guardians,

Happy New Year! We hope you had a wonderful holiday. As we embark on this new term, we are delighted to share some reflections on the first week back at school.

Firstly, I want to commend our students for their fantastic attitudes as they returned to school after the break. It has been wonderful to see their enthusiasm, focus, and readiness to learn. The classrooms and hallways are buzzing with energy, and the positive mindset of our students sets a promising tone for the months ahead.

The crisp, cold weather this week has added a refreshing start to the day. While the frosty mornings and chilly afternoons remind us that winter is still very much here, they've also created opportunities for outdoor play and exploration. We've seen students bundled up in their hats, scarves, and gloves, enjoying the fresh air during breaks and lunchtimes. Please continue to ensure your child comes to school dressed warmly, as we prioritise outdoor time whenever possible.

In addition to our regular schedule, we are excited about the events and activities planned for this term. From academic projects and sports fixtures to creative arts opportunities and community events, there is much to look forward to. As always, we value your partnership in making these experiences enriching and memorable for our students.

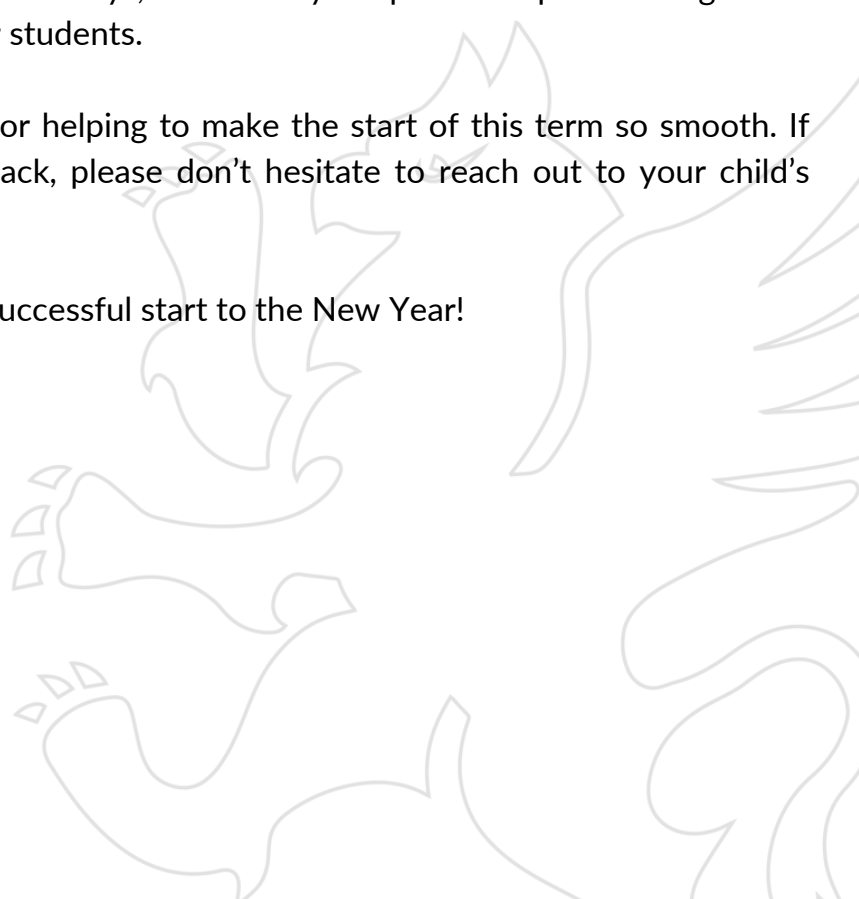

Thank you for your continued support and for helping to make the start of this term so smooth. If you have any questions, concerns, or feedback, please don't hesitate to reach out to your child's teacher or the school office.

Wishing you all a wonderful weekend and a successful start to the New Year!

Warm regards,
